

# Walking *Guide*

National Walk (& Wheels) Month 2025

Lace up your walking shoes, dust off your scooters, and oil those wheelchair wheels! May is National Walking Month, and we're embarking on an 6,000-mile journey, a collective stride to support Re-engage, a charity that supports and reduces loneliness in older people.

We want to get as many people as possible to explore the local areas that surround our wonderful Pegasus communities and enjoy the many benefits that getting outside for a stroll can bring, both physical and psychological.

We are asking for a £5 entry fee to take part and all funds raised will go to Re-Engage. We're aiming for 200 participants to take part, which would mean completing an average of just one mile a day, to make a real difference. Plus, with a prize for the top resident and staff walkers, and with better weather just on the horizon, there's never been a better time to get moving!

#### How does it work?

1) To sign up email: marketing@pegasushomes.co.uk you will be sent joining information (including details on how to complete the below).

2) Download the Strava Club app and join our Strava Club: **Pegasus Homes Walking Month** 

3) Donate your entry fee to our Just Giving page: Pegasus Homes' fundraiser: Re-Engage

g tipes' age

If you don't want to use the app, you can simply share your weekly mileage with your on site team who will share with the marketing team to add to the group tally.

#### Where can you walk?

Whether it's the trip to the local shops, a walk around town or a ramble using this new location guide, every step, scoot or wheel will count towards our goal.

#### Why should you take part?

As well as the many health benefits to walking, physically and mentally, challengers can win a prize for taking part!

Every resident and staff member that takes part will be entered into a prize draw, with a prize of  $\pounds50$  in vouchers to be won! Residents and staff members will be put into separate ballots and a prize draw will be done for each group.

#### About Our Charity: Re-Engage

We are delighted to announce that we will be raising money for Re-Engage, a charity dedicated to combating loneliness among older adults across the UK. To make this vision a reality, they foster vibrant communities through monthly tea parties, warm telephone calls through their 'Call Companions' initiative, and engaging volunteer-led activities, ensuring that no one feels too old to make meaningful connections.

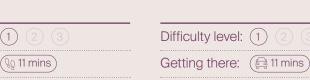

Discover how Re-Engage is making a real difference in combating loneliness here:
